Payment:

- \$20 per tree
- Online orders only
www.treepowerprogram.ca
- 600 trees available

Key benefits of planting a tree in your yard:

- Shade your home to reduce air conditioning costs
- Be a good green citizen by reducing energy consumption
- Filter pollution and breathe easier
- Enhance your yard
- Provide shelter for birds
- Plant a quality, well established, 1.5-1.75m tall potted tree at the best price ever!
